Users should view 3x3 grid of squares
User1 should be able to click on a square on the grid to mark an X one time
User2 should be able to click on a square on the grid to mark an O one time. Users 1 and 2 will continue to alternate clicking squares.
A User will win by clicking 3 Xs or Os in a row or column or diagonally. If there are not 3 Xs or Os in a row or column or diagonally, there will be a tie.
A User should see a message saying who the winner is or if there was a tie.
A User should be able to click the "Clear Board" button to start a new game.
